Re: 2012/13 Contribution Notice

The Angaston Management Group is a volunteer committee dedicated to developing projects for the benefit of Angaston businesses and the broader community and the improvement of the look and feel of the town. Vintage Festival Town Day, Christmas Town Night and the very successful Tour Down Under Events are among the things organised by the Management Group or its sub-committees.

Marketing and ongoing development activities do not come free – volunteer activities still require working capital so we encourage you to support this vital role within our community by way of financial contribution. We need your support in further developing Angaston as a successful environment in which to live and conduct a business.

Suggested contribution categories are listed below.

Please pay direct to The Barossa Council: **BSB 105 055, Account 036 245 340 and reference with AMG-your business or organisation name** or if paying by cheque, please complete your details below and detach and return the slip with the cheque made payable to Angaston Management Group at the above address. Thank you in advance for your continued support.

Yours truly,

Steve Falland
Chairman

(Please detach and return with cheque payment)
